

Mikasa
LAMINATES

NewMika is Now

Mikasa

ONE
MIKASA

We began as New Mika, bringing beauty and quality to every surface we touched. Today, the name evolves, but the soul stays the same. Because the trust, the craft, and the promise you believed in, remain unchanged.

For years, Mikasa has shaped your world with floors that carried your laughter, doors that opened to new journeys, veneers that wrapped your walls in elegance, and plywood that gave strength to the heart of your home.

Now, it all comes together under one name. Mikasa. New Mika, from the legacy of Greenlam Industries Ltd. becomes Mikasa. It's not just a change in identity but a unified world of complete solutions for every space you call you own.

Because your trust deserves one commitment, one promise, one Mikasa.

ABOUT US

Greenlam Industries Limited ranks among the top three laminate manufacturers globally and is a leading integrated substrate and surface solutions provider. The company offers a wide range of products to customers in over 120 countries, consistently delivering innovation and quality. Its diverse product portfolio includes decorative laminates and compacts, interior and exterior cladding, restroom cubicles and locker solutions, decorative veneers, engineered wood floors & doors, plywood, pre-laminated chip board & MDF. With five state-of-the-art manufacturing facilities located across India—in Behror (Rajasthan), Nalagarh (Himachal Pradesh), Prantij (Gujarat), Tindivanam (Tamil Nadu), and Naidupeta (Andhra Pradesh), Greenlam is committed to both quality and environmental responsibility. The company ethically sources its raw materials and holds numerous sustainability certifications ensuring its products are both safe and eco-friendly.

SUSTAINABILITY

At Greenlam, sustainability isn't a practice - it's a principle we live by.

Every Mikasa laminate is crafted from responsibly sourced materials from certified forests around the world, supporting ethical forestry and ecological balance.

Our manufacturing processes are thoughtfully designed to minimise waste, optimise energy use, and maintain a low carbon footprint.

Built to last, Mikasa Laminates bring together enduring durability and responsible design - where timeless beauty meets sustainable craftsmanship.

DESIGNING TOMORROW RESPONSIBLY

Greenlam ESG journey is based on 4 key philosophies

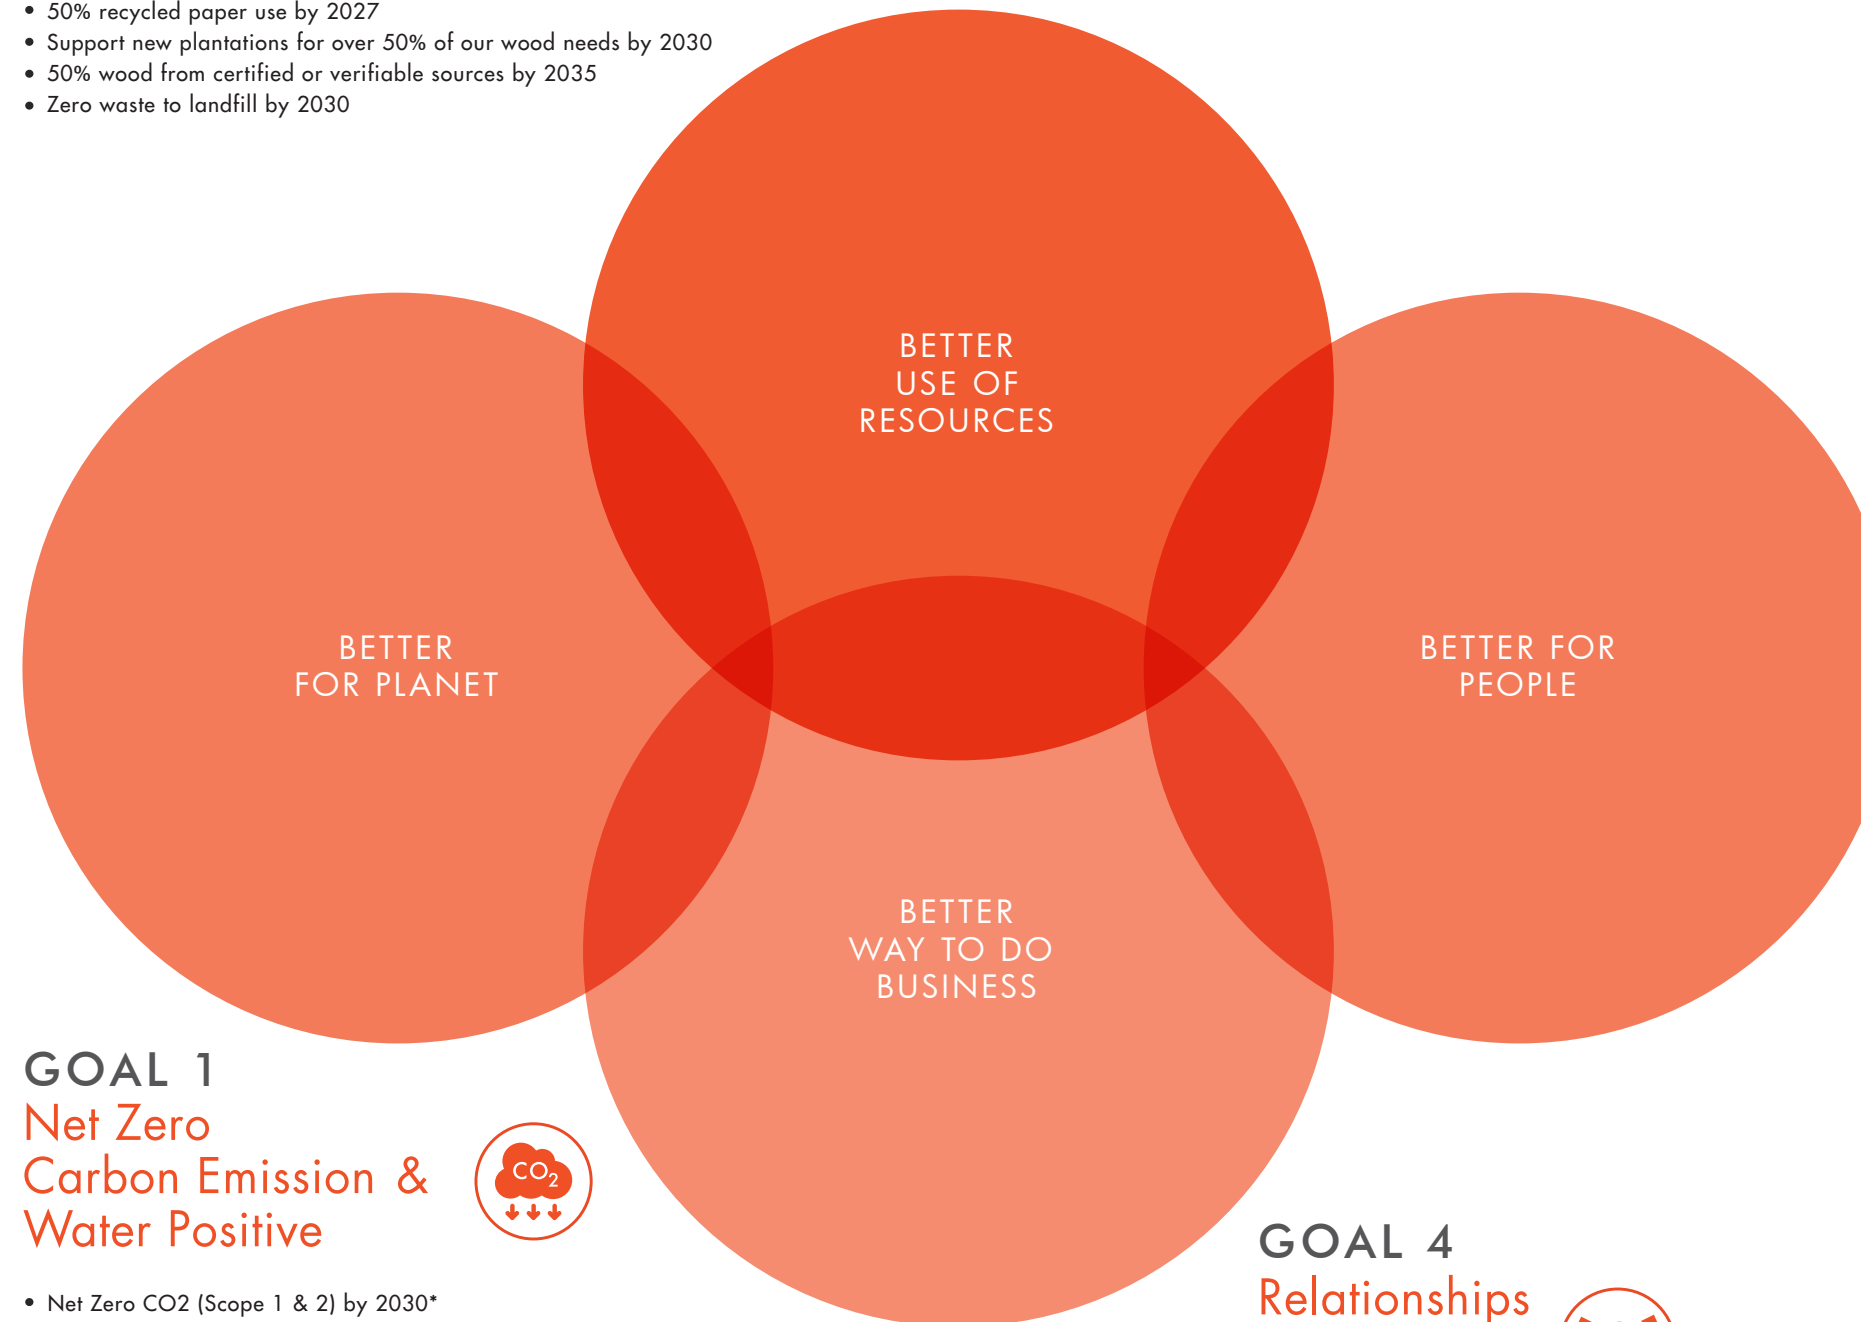

SCAN TO WATCH

GOAL 2

Recycling & Eco Design for Resource Efficiency

- 50% recycled paper use by 2027
- Support new plantations for over 50% of our wood needs by 2030
- 50% wood from certified or verifiable sources by 2035
- Zero waste to landfill by 2030

GOAL 1

Net Zero Carbon Emission & Water Positive

- Net Zero CO₂ (Scope 1 & 2) by 2030*
- 100% Groundwater recharge at factories by 2027
- 20% reduction in transport emissions upstream & downstream by 2030

*At manufacturing level

GOAL 3

Safety, Well-being, & Engagement

- Total reportable incident rate <1% by 2027
- 10% improvement in last 3 areas of employee
- Satisfaction
- Learning & development for all employees

GOAL 4

Relationships Built on Trust

- >90% suppliers conforming to business partner code of conduct by 2027
- Strategic suppliers tracked for supplier sustainability by 2027
- Measurable impact for our communities & harvesters
- Net Promoter Score implementation for customers

ABOUT OUR RANGE

Experience the timeless grace as our laminates go through a complete makeover, presenting finishes and colours that surpass all expectations. These laminates excel in their position as a modern alternative, developing into surfacing options that display intricate textures, unmatched designs, and above all, a unique you.

UNIQUE FEATURES

ANTI BACTERIAL & ANTI VIRUS

Mikasa Laminates comes with Anti bacterial & Anti virus property to create a healthy and safe zone for your loved ones that resist the growth of up to 99.99%* common bacteria.

BOILING WATER

Now you don't have to worry if hot boiling water falls on your kitchen counter or dining table as Mikasa Laminates can easily withstand boiling water.

STAIN RESISTANT

Don't let the world see any stain on surfaces. Simply swipe off the most stubborn of stains like sauces, coffee, and turmeric.

*As per test report bacteria gets 99.99% retarded after 24 hours of contact.

CRACK RESISTANT

Cracks can appear for reasons such as atmosphere temperature, humidity, and seasonal changes. Mikasa Laminates are resistant to all such changes.

NON TOXIC EMISSIONS

Breathe cleaner air and assure your loved ones a safe indoor air quality.

RESISTANT TO SURFACE WEAR

Mikasa Laminates', good looking surfaces last long since they have a protection layer. It resists gradual erosion caused by mechanical, physical and even chemical reactions.

DRY HEAT RESISTANT

Engineered to resist dry heat, Mikasa Laminates remain stable and unaltered, even at temperatures up to 180°C.

DIMENSIONAL STABILITY

Be it any climatic region, Gulf or Denmark, our high-quality laminates handle expansion and contraction quite easily while staying in mint condition.

SCRATCH RESISTANT

We understand how a scratch on your surface is a scratch on your heart. So, for your heart's sake, switch to surfaces that are completely resistant to scratches caused by sharp objects.

MATT X

ANTI FINGERPRINT

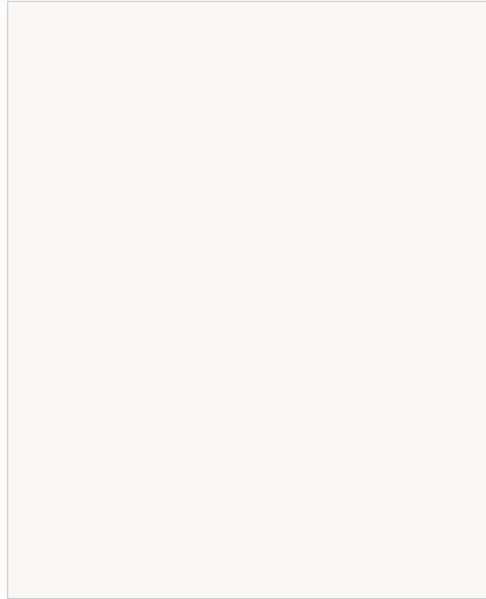

Transforming simplicity into sensation, Mikasa brings an anti-fingerprint super-matt finish that invites touch. It's soothing, seamless and luxuriously understated.

WOODGRAINS

Woodgrain offers a captivating sensory experience, replicating intricate wood designs and textures. This richness enhances the visual appeal of surfaces while serving as a genuine alternative to real wood. This makes it a popular choice in interior design and furniture.

WOODGRAINS

Woodgrain offers a captivating sensory experience, replicating intricate wood designs and textures. This richness enhances the visual appeal of surfaces while serving as a genuine alternative to real wood. This makes it a popular choice in interior design and furniture.

FJORD

Fjord's open-grain texture flows in sleek, parallel lines, creating a quiet rhythm that elevates every surface with subtle sheen. Exuding understated opulence, it offers the tactile charm of real wood, perfect for bespoke interiors. For those who appreciate refined natural aesthetics, it's a timeless expression of luxury in wood-inspired design.
